

ÄRZTEBALL SPONSORING

SPONSORING

Be a sponsor at the Vienna Medical Doctors' Ball!

In 2024, for the 72nd time, the Vienna Medical Doctors' Ball will bring a healthy mixture of tradition and modernity in the festive halls of the Vienna Hofburg. And as historical and impressive as the premises is also the celebration itself. „**Meet the medics**“ is the motto on the last Saturday in January - celebrate life and medicine with us.

In addition to public perception and reach, we offer you a „healthy“ sponsoring with sense: **Under the motto „Ärzteball goes Charity“, every year the Vienna Medical Doctors' Ball donates its net proceeds to another charitable institution.**

Our guests are many and varied: The Vienna Medical Doctors' Ball regularly attracts more than **3,500 guests**, including physicians, stakeholders from politics, science and business, art and culture, students, teachers and culture enthusiasts from Austria, Germany and abroad.

Secure your place on the parquet of the Vienna Medical Doctors' Ball and position your company with one of our sponsoring-packages.

Take the opportunity and support the Vienna Medical Doctors' Ball: **Being a sponsor helps!** We are looking forward to the joint cooperation!
